Fodele Heraklion, Crete, April 1, 2017

We are proud to announce that Fodele Beach Hotel has recently concluded the project of an extensive renovation of its rooms and common areas. The renovation began in winter of 2016 and completed in 31/3/2017, in time for our guests to make the most of their stay with us upon their arrival.

The 412 spacious, air conditioned rooms have a light contemporary decor, and all are equipped with cable TV and telephones, Flat TV Screen, Electronic safe, Refrigerator and Wifi (Exceptional quality through optic fiber - Free in certain public areas).

We are looking forward to hosting our guests at our renovated facilities, offering the same familiar Greek hospitality; as far as that goes, certainly nothing has changed here at Fodele Beach Hotel. Treating our guests with the best of care remains our top priority.
